"How we maintain our mules and horses, when we camp with them in the backcountry!"

Sponsored by K&S Saddlery and the Backcountry Horsemen of Washington

During this instruction, Ed and Sue Haefliger will be demonstrating and discussing with the class, how they maintain their mules and horses when they are camping in the back country. Subjects to be shared; include our tools to clean-up the camp site when leaving it, feeding

of stock, high-line set-up and design, picking a stock friendly site, hobbling to protect vegetation and restraint, plus more.

This class is in connection with the TrailMeister's instructional seminar "Camping with Horses beyond the Trailhead 102", section titled "Preparation".

Class will start at 10:30 AM and run until 1:00 PM.

We look forward to visiting with you at K&S Saddlery,
