No new trails this year but we've had to do some minor reroutes around some problem areas.

Like Us on Facebook  
and keep up on all  
the great prizes!!!

This year we have a BBQ food vendor on site! Lunch will consist of a pulled

pork sandwich, coleslaw and a drink. Breakfast burritos will be available early until sold out: large sausage, egg, potato and cheese for \$6.

The trails offer views of the Olympics, Mount Rainier, and Puget Sound to name a few. You can make the ride as long or as short as you choose. (5 to 15 miles) If you choose the long ride please come early to get a good start. Geocaches will be on the long ride. **We strongly recommend your animals have shoes or bring boots, and that your animals are in good condition to ride the long ride.**
