POT LUCK DINNER AND CAMPFIRE SATURDAY EVENING - JOIN US!

Midwest Trail Ride features a full service campground. Water and electric at each site. Tack shop, restaurant, hot showers, covered stalls, bedding (included at no extra charge) and firewood for a nominal cost.

Pre-ride and practice session will precede the rides. You will need an orienteering type compass (ex; Silva 7), available at most camping supply stores for \$10-\$20. Midwest Trail Ride's Outpost Store will have them available this spring; a few may be available to borrow at the ride.

CMO is a timed event. Find 5-10 markers using a map (provided), and your compass. Riders compete either individually or in teams of 2-6. Ride at any pace you like. We provide instructions and a practice marker before the ride. It's easy and fun to learn.

All rides are sanctioned by NACMO (National Association for Competitive Mounted Orienteering), which provides regular newsletters and year-end awards in several categories at the state and national level. Cumulative records of points earned are kept on both horse and rider.
