CMO is a timed event covering from 5 to 15 miles in which you find 5-10 markers using a map (provided) and a compass. Riders can compete either individually or in teams. You will need an orienteering type compass (example – Silva 7), available wherever camping supplies are sold. Riders compete either individually or in teams of 2 to 6 riders. Ride at any pace you like. We will provide instructions and a practice marker before each ride.
