The San Juan Valley Trail Riders invites you to be part of NATRC history. Come ride the 43rd annual Navajo Lake Ride CTR, one the longest continuously held rides in NATRC history. This ride will traverse varied terrain of mesas, arroyos, beautiful rock formations and pinon forest in the spectacularly scenic area around the Navajo Lake Dam. Come enjoy the fun, especially our famous "Mother's Day Trail" filled with surprises! We are changing up the trails some this year and we will have lunch back in camp on Saturday.

Directions to Camp: The camp is located on NM State Hwy 539 approximately ¾ mile south of Navajo Dam. When approaching from Albuquerque and Bloomfield, travel east on U. S. 64 to about mile 89, then turn north (left) on NM 539; 5 miles to camp. From Eastern slope Colorado, take CO 172 south through Ignacio to NM 511 and south to Navajo Dam, then south on NM 539 to camp. From western Colorado, go to Durango, head south on Hwy. 550 towards Aztec, NM. Just as you enter Aztec, turn left on NM 173 until it ends at a T. (about 18 miles). At the T go left on 511 which will take you to the top of the dam, where you will have to do a turn around in the parking area to head across the top of the dam. Go up a hill and you'll see camp on your right.
